WRIT PETITION No.626 of 2005

Dated 28-03-2006

Between:

Smt. P. Shobha. .. Petitioner

And

The District Collector, Warangal,

and two others.

.. Respondents

THE HON'BLE SRI JUSTIC RAMESH RANGANATHAN

WRIT PETITION No.626 of 2005

ORDER:

Seeking a direction to the third respondent-School to continue the petitioner as E.C.E. Instructor, the present writ petition is filed.

This Court, by order dated 25-01-2005 in W.P.M.P.No.834 of 2005, directed *status quo* and as such the petitioner was continued in service till April 2005. When the E.C.E. center itself was closed, the question of continuing the petitioner in service thereafter does not arise.

Sri N. Rajeshwar Rao, the learned counsel for the petitioner, would however contend that despite the order of *status quo* passed by this Court, the petitioner was not paid salary for the period 2004-2005.

The learned Government Pleader for School Education, on the other hand, would refer to the averments in the counter-affidavit wherein it is specifically stated that the petitioner was paid salary till April, 2005.

Recording the statement of the third respondent that the petitioner was paid salary till April, 2005 and since the cause in the writ petition no longer survives, the writ petition is dismissed as having become infructuous. No costs.
